We would greatly appreciate

X receiving the document(s) listed below.

___ receiving information about the items listed below.

___ being placed on the mailing list to receive

X guidelines and "sample" applications for Project Grants.

NOTE: Please send "Statement of Policy" for Project Grants.

X Annual Report

This would be very helpful to us in our mission of compiling information about possible sources of research, fellowship, training, and other sponsored program support for our faculty and graduate students at The Ohio State University.

If there is a charge for the above, please inform us, and we will place an order through our Purchasing Department.

Thank you very much for your cooperation in this matter.

Yours truly,

Robert Lowry
